

Dear Champ Families,

We are all so excited to be working together to provide more opportunities for our girls to do more of what they love - **performing** - after all... "Calisthenics is a sport with performing at its heart".

Champ Connect will be running a 'Solo Fundraiser', where each studio will host a day of solo performances. This fundraiser will help raise funds for the running of our colleges during 2021 after a very difficult 2020. It will also allow our students to perform with all Champ performers from their age group across the North West, South East divide which we believe is an important way to keep everyone connected.

The 'Solo Fundraiser' will essentially be a fundraiser but it will run like a competition. There will be a judge, giving a modified critique of your performance, to help you improve, and there will be placings, however these places will not go towards any grading. If numbers are large, divisions of Novice, Open Reserve and Open etc. will be offered but where numbers are small, these sections will be combined. This fundraiser is only offered to <a href="Champ">Champ</a> families so no other performers from other divisions will be able to perform.

All moneys raised will be divided equally by all 7 clubs .

Entry is \$25 per performance and 1 adult ticket can be purchased at time of booking for \$15.

Depending on... numbers entered, COVID restrictions at the time, & size of studios

extra tickets may be available for purchase at a later date.

Please visit the following site to enter and book your audience ticket:

https://www.trybooking.com/BORAY

## **Entries close at 9pm on Sunday 21st Feb.**

Times and exact dates of sections cannot be confirmed until after entries are calculated but rest assured we will do our very best to not have any clashes with solo comps running on the same day, however we cannot accommodate families who may have more than 1 child in different age groups. A proposed timetable is on the next page of this document, but its is subject to change based on the issues listed in colour above.

We hope all families will support this joint venture to allow girls some cross club connection after all many of the girls performing in solos love catching up at comp time and have been team members through State Team. We think this connection is important and as leaders in our sport we want to do all we can to keep calisthenics alive and thriving in this current climate.

If you have any concerns or queries please contact your club or the email below: champeisteddfod@gmail.com

We thank you all for your support and we look forward to Champ Connect making a positive difference to 2021.
